First Aid for Parents

Course content provides you with the knowledge to:

- Be able to assess an emergency situation and prioritise what action to take
- Help a baby or child who is unresponsive and breathing normally
- Help a baby or child who is unresponsive and not breathing normally
- Help a baby or child who is having a seizure
- Help a baby or child who is choking
- Help a baby or child who is bleeding
- Help a baby or child who is suffering from shock caused by severe blood loss (hypovolemic shock)
- Help a baby or child who is suffering from anaphylactic shock
- Help a baby or child who has burns or scalds
- Help a baby or child who has a suspected fracture
- Help a baby or child with a foreign body in eyes, ears or nose
- Help a baby or child with an eye injury
- Help a baby or child with a bite or sting
- Help a baby or child having: an asthma attack; an allergic reaction; meningitis; and/or febrile convulsions
- appropriate contents of a first aid box

Duration: Approximately 1-1.5 hours

Access: This online course can be completed on any PC or mobile device. You can study at your own pace and log in and out as often as you wish.

Features:

1. Appeals to all learning styles with interactive quizzes, video and audio features.
2. Allows learners to work at their own pace, testing their knowledge as they progress through the course.
3. Provides a very thorough resource for those with English as a Second Language.

Assessment*: Self checks after each section of the course and an optional end of course multiple choice assessment.

Certification: On successful completion, learners can download a certificate as evidence that they have passed the course.

*For enhanced quality assurance, it is strongly recommended that the elearning module is completed prior to the practical face to face training day to ensure that learners have the opportunity to ask their trainer any questions about what they have learned and so that the trainer can test learners' knowledge in the classroom before issuing the Full Paediatric First Aid certificate.
